Mar 11 Club Meeting George Webb's 7p

CLUB MEETING...

The February meeting will be held Thursday February 11th at 7pm at George Webb's. This month we are going to try to do the meeting on the air on the 147.000 repeater and in person! George Webb's will allow us to run a coax thru the emergency door providing the door will close. Hopefully that can be done.

If you are attending on the air, please click the "Meeting Docs" menu item on the top-left of our home page at w8pif.com to follow along with the agenda and to see the docs we'll be referring to. If you see any problems I would appreciate it if you would bring it to K9STT's attention before the meeting. It would be nice to have a good turnout in person too, so if you're up to it - it'd be great to see you!

AFTER CHRISTMAS PARTY A SUCCESS...

The annual After-Christmas Party was held Saturday January 23rd at Embers 1871 in Peshtigo. About 15 members and guests turned out, and enjoyed another excellent meal, which was followed up by the White

Elephant Gift exchange which always brings out a variety of items, many of them unused items from the shack. Hopefully everyone went home with something they could put to use.
